	<p>"Vent'anni fa l'agricoltura era considerata un settore non socialmente ed economicamente appetibile" shows that in the past, agriculture grew to be considered not very appealing. It also links forward to the text to create a background that explains that today, things have not are changing changed.</p>
	<p>"Così l'agricoltura offre una via d'uscita alle donne deludenti" is a clear example of how the author wants to encourage young readers into consider working in agriculture. "Deludenti" shows how directly the author addresses people that struggle finding exciting jobs.</p>
	<p>"Hanno costruito insieme un'attività di grande successo" shows that the writer wants not only to convince people that working in the agriculture sector would make a good job, but also to have a great success from it. The writer does so by taking Alessandro out</p>

Arizona for example, two young people who have now a successful at business.		
"Hanno avviato una serie di iniziative rivolte ai ragazzi delle scuole" shows how the writer wants to highlight the fact that young people could encourage and teach other young people into agriculture.		
Finally, the writer wants to inform young people that the government would help them in buying land: "di consentire soprattutto ai giovani di poter avere un accesso alla terra ad un prezzo agevolato".		

Candidate 2

ENTER NUMBER OF QUESTION	DO NOT WRITE IN THIS MARGIN
5.	<p>The overall purpose in the writing of this subject is to inform audiences about the interest shift of young men in the last 20 years. For example the text shows that 20 years ago parents pushed encouraged their children down an academical path, but as it was the most opportune option, however now agriculture seems more viable, therefore young men take it. Also the text shows that, this generation of young men is inspiring the next one to follow agriculture, this is relevant as 20 years ago the approaching generation was encouraged to follow a more academical path.</p>

Candidate 4

ENTER NUMBER OF QUESTION	DO NOT WRITE IN THIS MARGIN
5.	<p>The writer's purpose is to show why agriculture has become popular in respect to past years, the writer uses real examples to show the reader and talks about the reasons people got involved with agriculture.</p> <p>The writer opens with a paragraph that sums up in brief detail the areas he will be talk writing about, for example he goes into more depth about agritourism.</p> <p>The second paragraph starts with a relevant question, this brings the reader in to the article ^{article} passage as they want to understand the reasons/answers to the question. The writer manages to captivate the reader and convinces them to read on.</p> <p>The writer uses a list at the end of this paragraph by "idee innovative..." the writer uses a list to suggest that young ^{graduate} people have lots of benefits to the agriculture.</p>
