9	Ovid tells us about Crete's ruler Minos and how he rules all of Crete including the ocean sea however, Minos didn't rule the sky.
10A	The wings are similar to real bird wings as Daedalus Daedalus to inspiration from some seagulls he was watching eventually noticing and using all the feathers they left.
10B	However the wings Daedalus has are made from bees wax and made and string.
